Type of activity:

Training

Short description:

ACSET - Uganda strives to have an economically-empowered and enlightened community that works together to alleviate poverty and promote sustainable, healthy lifestyles for vulnerable children, youth and women through the implementation of demand driven and financially sustainable programs that both develop capacity and generate income. Their vision is a society free from poverty and injustice in which vulnerable children and youth live in harmony with everybody and every person enjoys their right to a life of dignity.

SDGs covered by this activity:

Key topics covered by this activity:

Alleviate poverty and promote sustainable, healthy lifestyles for vulnerable children, youth and women
