Short description:

The SOLIDARITY THROUGH TABLE TENNIS pilot project uses table tennis as a tool for development and peace. The pilot will encourage mass celebrations of table tennis for ping pong diplomacy (GPPD) initiatives across continents. It will promote diversity and best practice examples by selecting and supporting 5 promoters per continent to deliver role model examples. It will also aim to raise awareness about ping pong diplomacy as an accessible tool for all and underline its ability to be used as a tool for advocating the UN's SDG 16 – peace, justice, and strong institutions, and raise awareness and knowledge of GPPD in the lead-up to and post-World Table Tennis Day (WTTD).
